REFLECTED GLORY

BEFORE

A screen covered in hand-painted silk acts as a wonderful canvas for a large-scale pattern, reflected beautifully here in the mirrored furniture. Three walls covered in a deep plum silk wallpaper create an intimate feel and add subtle richness, while a third wall of built-in wardrobes with sliding frosted-glass doors conceals storage. The consistent use of silk in this scheme, from the walls and accessories to the curtain lined in a vivid shade, guarantees a luxurious flourish.
