Inspired by Artists

Produced by
WHITNEY ROBINSON

You don't have to go to a museum to get inspired by great art. These accessories take cues from the masters.

CHANDELIER INSPIRED BY ALEXANDER CALDER

The bold primary-colored biomorphic glass of this chandelier evokes a mobile, Calder's signature creation.

Egon Venetian Chandelier, \$12,470. MEDITERRANEO: 212-255-2005; mediterraneodesign.com.

CUFF INSPIRED BY GUSTAV KLIMT

Vienna, 1907. The splendor! The music! The coffee and cakes! It doesn't take Freud to explain the appeal of this swirling design.

Gem Palace Spiral Cuff Bracelet, 24-k gold, \$8,350. NEUE GALERIE SHOP: neuegalerie.org.

PLATTER INSPIRED BY PABLO PICASSO

In the spirit of Picasso's painted pottery of the '50s, '60s, and '70s, this platter captures the esprit of the south of France.

Italian Pottery Blue & Brown Fish Oval Platter, \$175. SUE FISHER KING: suefisherking.com.

FABRIC INSPIRED BY THE UNICORN TAPESTRIES

Let the lush medieval garden be your muse—create curtains and cushions fit for a troubadour's love nest.

Mille Fleur, linen, in Clay. To the trade. LEE JOFA: leejofa.com.

CLOCK INSPIRED BY SALVADOR DALÍ

It's not just another funny face. This dissolving clock actually tells time.

Dalí Melting Time Clock, \$30. BITWISE GIFTS: bitwisegifts.com.

TABLE INSPIRED BY LOUISE NEVELSON

Like Nevelson's assemblages, this wood table is a symphony of reclaimed elements.

Curve Table, \$1,230. DRANSFIELD & ROSS: dransfieldandross.com.

IPHONE APP INSPIRED BY JACKSON POLLOCK

Make your own drip paintings. More fun than an Etch A Sketch!

"Jackson Pollock" iPhone app, \$0.99.

CUTTING BOARD INSPIRED BY ELLSWORTH KELLY

Kelly's 1950s grids of colors arranged "by chance" look exactly right today.

Mini Mosaic Worktop Saver, \$28. JOSEPH JOSEPH: josephjoseph.com.
