

APPLICATION FOR TRADE PROGRAMME

Thank you for your interest in Baroncelli and for contacting us to join our trade programme. We are delighted that you have taken the time to find out about us and our collections and we would like to get to know you a little better too.

Our trade programme is at the heart of our business and we take great pride in providing you with the highest level of service. One aspect of this service is guaranteeing the benefits of our trade programme are enjoyed exclusively by our trade partners. In order to support you better we ask you to complete this form. This helps us to allocate your account correctly and ensure we help you make the most of what we offer.

We know the form is a little long; you don't need to complete every section, particularly if it does not apply. If you have a great website, for example, we will look at that and it may answer many queries. However, the more you tell us about your work, the better equipped we will be to include you in our trade programme. Sometimes, in order to protect our existing partners we need to decline some applications and this is generally because we don't know enough about you.

We look forward to discovering what you have been up to before we met and hope to have the opportunity to work with you soon.
